DUCK DASH Sunday 17 June from 12 noon

Don't forget to come along with your picnic & plenty of 50 pences. This is a fun afternoon where we meet in Puttles Bridge car park & make our way to the little bridge where Bob Hartstone will be eagerly waiting to take our 50 p bets on numbered plastic ducklings. When all bets are placed, the race begins. Cash prizes for the first 3 ducklings in each race. Don't forget your drinks & picnic + something to sit on (picnic chairs are best as the terrain is not really bottom friendly for rugs!)

DATE CHANGE FOR BASTILLE BARBECUE Sunday 8 July 16 Lavender Road, Hordle from 12 noon

Bob & Eunice Hartstone discovered a last minute engagement & cannot host the much loved BBQ. Sue & Clive Williamson have kindly stepped in to offer their garden so the BBQ goes ahead as planned. Bring your own food to throw on the BBQ plus salads, desserts, drinks, chairs, tables & gazebo if you have one. Don't forget a raffle prize & spare change for ice creams, games etc. No dogs please & do remember to take all bottles & litter home with you. See you there!

OUR FRENCH EXCHANGE VISIT 4-7 MAY

Truly unforgettable! Awful weather but the warmest of welcomes. This year saw 5 new French & English families join in a visit to the Fécamp monastery where Bénédictine liqueur is made to a closely guarded recipe. Then it was on to a chocolate factory to learn the process from cocoa bean to

finished product (with tastings of course!).

That evening we huddled close for a photo by the English phone box in rue de Hordle

before hot-footing it into the warm for a fabulous buffet dinner. New families were presented with gifts & then it was time for us Hordelites to sing our (pretty awful!) rendition of 'La mer' a beautiful French ballad which we successfully murdered while our beloved French families laughed their socks off. But we'll have the last laugh as Bob N has set them the task of learning 'Yellow Submarine' to sing to us for next year when we'll be celebrating our own silver jubilee: 25 glorious years of twinning! Be sure to be part of it by hosting a French family next year as this is going to be **SPECIAL!**

Welcome to Jackie & Phillip Brown, Tom & Marie Holt. Both couples decided to put us to the test by joining just in time to come to Yerville. It's great to welcome them & look forward to seeing them at events.

We need feedback! Thanks for all comments on the recent exchange visit. We'll be looking at all feasible travel routes & methods for 2014.

If you enjoy an event, say so on Facebook, tell everyone & show them this newsletter. New families always welcome.
